## Junior Tennis

Junior Coaching is organised for all ages and standards. Please see notice board for schedule. Tournaments, fun days and Summer Camp happen during the holidays.

The qualified coaching team prides itself on prioritising building confidence, self esteem and responsibility through participation in the programme. Juniors who are not Performance players are equally valued and have the opportunity to take part in the Junior Leader scheme or to just relax from the pressures of school and have some fun!

There are various junior squads including Mini Tennis, Development and Performance levels every week based on ability rather than age. Non Members are welcome to play in squads for an extra enrolment fee.

The Junior tennis programme caters for players from mini tennis up to Performance Level providing a safe entry level for all ages between 3yrs and 18yrs and the chance for every junior to fulfil their potential.

Junior Tournament is during the last week of the Summer Term  
Junior Coaching Camps - Every school holiday

Advanced standard juniors may qualify for senior status. This is awarded on merit by the Coaching Team.
